SUBJECT: UPDATED: Graduation Requirements for the Classes of 2016, 2017, 2018 and 2019

The purpose of this Memo is to provide districts with updated threshold scores that students will need to achieve on the redesigned PSAT/NMSQT in order to satisfy their assessment graduation requirement.

The redesigned PSAT/NMSQT was first administered to students in October 2015. As such, the previously issued threshold score of 40 in reading and mathematics is no longer applicable for certain students. More specifically, for those students who took the redesigned PSAT/NMSQT in October 2015, and for those students who will take the redesigned PSAT/NMSQT in future administrations, a 22 on reading and a 22 on mathematics will satisfy their assessment graduation requirement.

The updated chart below details how students can satisfy their assessment graduation requirement.
